reasonably be expected to adversely affect Company's business.

2. Nondisclosure of Trade Secrets

The Employee shall keep Company's Confidential Information, whether or not prepared or developed by Employee, in the strictest confidence. The Employee will not disclose such information to anyone outside Company without Company's prior written consent. Nor will Employee make use of any Confidential Information for Employee's own purposes or the benefit of anyone other than Company.

3. Confidential Information of Others

The Employee will not disclose to Company, use in Company's business, or cause Company to use, any trade secret of others.

4. Return of Materials

When Employee's employment with Company ends, for whatever reason, Employee will promptly deliver to Company all originals and copies of all documents, records, software programs, media and other materials containing any Confidential Information. The Employee will also return to Company all equipment, files, software programs and other personal property belonging to Company.

5. Confidentiality Obligation Survives Employment

Employee's obligation to maintain the confidentiality and security of Confidential Information remains and do not end upon termination of employment, remain in force indefinitely as long as the information remains confidential and apply even if the Employee joins a competitor or starts their own business.

6. Non-solicitation of customers (24 months)

For 24 months after termination of employment, the Employee shall NOT;

- (a) Contact, solicit, approach or service any customer/respect of the Company.
- (b) Divert, accept or use any lead, customer inquiry financial application belonging to the Company.
- (c) Use any customer data or information obtained from employment.

7. Non-solicitation of employees (24months)

- (a) Recruit or attempt to recruit any Company employee.
- (b) Influence any employee to resign or join another business.
- (c) Engage in actions that disrupt the Company's workforce stability.
- (d) Engage in any activity that directly competes with the Company's core business
- (e) Use Company methods, leads, systems, or knowledge in any competing activity

UNAUTHORIZED SOFTWARE & SYSTEM ACCESS POLICY

Employee Declaration & Acknowledgement

1. PURPOSE

This Policy is established to protect the confidentiality, integrity, and security of Company systems, customer financial information, and operational processes. All employees, contractors, interns, and third-party personnel must comply with strict controls governing the installation, use, access, and management of software and digital tools within Juara Partners Sdn Bhd ("the Company").

2. DEFINITION OF UNAUTHORIZED SOFTWARE

Unauthorized software refers to any application, tool, program, executable, extension, cloud service, or mobile app that:

1. Is not approved by the Company's IT Department.
2. Has not been installed or procured through official Company channels.
3. Has not passed Company security verification.
4. Is downloaded from the internet, external drives, or non-approved sources.
5. Includes trial, demo, pirated, cracked, modified, or freeware applications.
6. Includes browser extensions or automation tools not explicitly approved.
7. Includes personal cloud storage or file-sharing apps (e.g., personal Google Drive, Dropbox, iCloud, Telegram folders, etc.).

All such software is strictly prohibited.

3. PROHIBITED ACTIONS

Employees are strictly prohibited from:

3.1 Installing or using unauthorized software on any Company-issued device including laptops, desktops, tablets, and mobile devices.

3.2 Installing Company-authorized software on personal devices without written approval from the IT Department.

3.3 Accessing or attempting to access Company systems using unauthorized tools, VPNs, remote-access apps, or any circumvention method.

3.4 Using any tool that may expose or leak customer information, including:

- Screenshot-to-PDF apps
- Unofficial WhatsApp variants
- Browser extensions that collect or scan data
- Recorders or auto-dialers not approved by IT

3.5 Storing customer documents or Company files on personal email, personal cloud services, or unapproved messaging apps.

3.6 Plugging in external USB drives unless explicitly approved by IT.

4. REPORTING REQUIREMENTS

Employees must immediately report to IT if:

- Unauthorized software is found on a device
- Malware, virus activity, or suspicious activity is detected
- A device behaves unusually
- Customer data may have been exposed

Failure to report constitutes a breach of this Policy.

5. DISCIPLINARY ACTION

Any violation of this Policy is classified as serious misconduct.

The Company may take any of the following actions:

- Written warning
- Suspension of device or system access
- Formal disciplinary action
- Salary deduction for damages caused
- Immediate termination of employment
- Legal action
- Reporting to authorities (if involving fraud, PDPA breach, or criminal activity)

The Company reserves the right to conduct device inspections and forensic IT analysis at any time.

6. EMPLOYEE ACKNOWLEDGMENT

I, the undersigned, acknowledge and confirm the following:

1. I have received, read, and fully understood the Unauthorized Software & System Access Policy of Juara Partners Sdn Bhd.
2. I understand my responsibility to safeguard Company systems and customer data.
3. I agree to comply with this Policy at all times.
4. I understand that violating this Policy may result in disciplinary action, including immediate termination.
5. I agree that the Company may monitor, audit, or inspect Company devices assigned to me to ensure compliance.
